## What We Do Best

Identify & Design-in New,  
Disruptive Technologies

Industry Leader in  
Power & Microwave  
Technologies

Provide Technical  
Expertise & Engineered  
Solutions

Provide Exceptional  
Global Support

Provide High Quality  
Products for Over 75 Years

## ACTIVES & PASSIVES

## INTERCONNECTS & WAVEGUIDES

Richardson Electronics is a leading global provider of engineered solutions, RF & microwave and power products. With the launch of the Power & Microwave Technologies group, we continue this legacy and complement it with new products from the world's most innovative technology partners. Richardson Electronics' Power & Microwave Technologies group focuses on what we do best: identify and design disruptive technologies, introduce new products on a global basis, develop solutions for our customers, and provide exceptional worldwide support. As a global company, we provide solutions and add value through design-in support, systems integration, prototype design and manufacturing, testing, logistics, and aftermarket technical service and repair—all through our existing global infrastructure. More information is available at [www.rellpower.com](http://www.rellpower.com).
